

Reporting Hazards

What is a Hazard?

- A hazard is any object, situation, or behavior that has the potential to cause injury, ill health, or damage to property or the environment.
- Hazards if not controlled can lead to incidents and injuries.
- Report all hazards to you supervisor. Depending on the hazard they can be managed by you, the store, your supervisor or the HSE Team

Mopping without wet floor signs

Extension cord in walkway

Sweeper in customer area is an impact hazard
