# ESSENTIAL TIPS - HOW DO I MANAGE HAZARDS?

**SEE IT**

- Can you see any unsafe conditions or unsafe acts that have the potential to cause harm.

**FIX IT**

- Discuss it, make safe and if possible, fix the hazard.

- Tag out or remove faulty equipment and barricade unsafe areas if the hazard cannot be fixed immediately.

**REPORT IT**

- Inform & advise your supervisor and partner site.

Hazard          Unsafe act          Near miss          Incident/injury

**Fix or report all hazards before they cause an injury**

*We work safely to get home safely everyday*
